Re: *Delta Electronics, Inc. v. Vicor Corporation*,  
C.A. No. 23-1246-JLH

---

Dear Judge Hall,

I write on behalf of plaintiff Delta Electronics, Inc. to respectfully request that the Court schedule a Rule 16 conference in the above action. We have attempted to engage with counsel for defendant Vicor Corporation to discuss a proposed schedule for this matter, but they have responded that they believe it would be premature to begin discussing a schedule while Vicor's motion to dismiss is pending. That motion (D.I. 16), however, is a partial motion to dismiss that seeks only to dismiss Delta's claim for indirect and willful infringement. Since Delta's claims for direct infringement will be moving forward, Delta believes it would be appropriate for the parties to begin discussing scheduling and the related matters that are triggered when a Rule 16 conference is noticed by the Court. Pursuant to Local Rule 7.1.1, Delaware counsel for both parties have discussed the foregoing, but were unable to reach an agreement to resolve the issue.

We are available at the Court's convenience should Your Honor have any questions concerning this matter.

Respectfully,

*/s/ John G. Day*
